Cover— Christy Dilks

Christy Dilks was spotted in this Falcon Club of America jacket at the recent Mid America Chapter Picnic. There was a thunderstorm the day of the picnic, so the top was up on her dad Rick's 1963½ Sprint convertible. The jacket was the perfect item to take off the chill, and everybody enjoyed the picnic — under shelter.

Rick notes that Christy is one of the few people to ever be "behind the wheel" of his pristine Sprint. You notice she isn't *driving*...

These jackets and many other Falcon items are available only at the Falcon Club Store. Check out some of the gear on these pages and place your order by phone, fax or e-mail.

This issue is dedicated to the Falcon Club Store, introducing you to the storekeepers and helping you find your way around.

NOTE TO ALL MEMBERS: The club will send a notice to each member the month before membership expires. Be sure to send your renewal in early to retain your original membership number. If you do not renew your membership within 90 days after it has expired, your membership number will be placed in the inactive file and will no longer be used by the club.

President's Message

This issue is dedicated to the Club Store – and just in time for the holidays! Browse through this issue and pick up something for that Falcon lover on your list. Bonnie and Mary have done a great job building up the inventory and adding personalized patches and emblems to lots of items. So use this catalog and start ordering now to avoid the holiday rush. Don't forget to allow extra time for personalized items.

Our Internet Director, Dave Wagner, is doing a Fantastic Falcon Job with our Web Site. If you have not surfed the Falcon Web, get together with a friend who is online to see what you're missing.

The website provides:

- ♦ Additional exposure - The Web Site has increased the awareness of many folks who did not know there was a Falcon Club of America, not to mention letting them know what a great club we have.
- ♦ Falcon Tips at your fingertips - There's lots of different ways of doing things. Let the membership know how you handled some tricky Falcon problems.
- ♦ Discussion group - This allows you to get answers to your questions almost before you can think of the question. It

also allows you to help your fellow Falcon friends without even getting your hands dirty.

- ♦ Registration for National and Regional Shows - Information on the National and Regional meets is posted on the FCA bulletin board.

Get those beautiful Falcons out for a Fall Falcon Foliage Fun Run before the winter sets in. Is anyone dressing up as a Falcon for Halloween?

Next month the Chapters by Region list will be published, along with the minutes for the business meeting held at the National Meet and the annual treasurer's report. If you have not sent in your chapter roster, please send current information to Joe Tatti, FCA Secretary.

Don't forget that our Founders Chapter is having a Halloween Regional in Arkansas, the last weekend of this month. Use the registration form on the jacket of this issue and join in for some Halloween Falconing Fun!

Start planning for next years National Meet in California, July 2000. Contact Rosie Wilson of the River City Chapter for details.

Happy Halloween!

CLUB STORE ISSUE

This edition of the Falcon News is devoted entirely to the Falcon Club Store. "Where is this Falcon Club Store?" is one of the first questions new members ask. Actually, the store exists several places throughout the year, at the National and Regional Meets and at Falcon Events in between. In the meantime, it is run from Waveland, Mississippi.

Bonnie Stringer and Mary Biehl are the Falcon Club Storekeepers. This issue will tell you a little about them and a lot about the store. Use it as a year-long reference and catalog for Falcon Goodies that you can't get anywhere else.

HISTORY OF THE FALCON CLUB STORE

As Told by Bonnie Stringer, FCA Store Manager since 1990

Roy Sword founded the Falcon Club of America in 1979 and his wife, Pat, founded the Club store. At the first convention I attended in Memphis 1982, the entire contents of the store fit on one table and packed into Pat's trunk. Over the years the size of the Club and Store have changed. We do, however, still offer the red & white ringer T-shirt for the same price as 20 years ago.

Pat Sword was our first Club Store manager. She helped design the red-ringer T-shirt and several other items. With Pat's hard work, the store continued to grow, adding ball caps, the Miller poster, key chains, shop manuals and more. After four years, Pat passed the manager's duties on to Ellen O'Dell and the store moved to East Alton, Illinois. For six years, Ellen continued to expand the inventory and selection, which would no longer fit in the truck of one car, so Ellen's husband, Tom, built the first trailer. Ellen & Tom are to be credited with the idea of the convention pin. The first pin was designed for the 9th convention held in Atlanta in 1987.

In 1989 Ellen asked if I would be interested in becoming the next Club Store manager. I was a little scared at first but agreed. At the 1990 Nationals, we made the transition and the store was moved to Waveland, Mississippi. We continued the tradition of the convention pin. We always begin the

design for the next year's pin on the return trip from Nationals. Colors of the hosting Chapter are used. It takes about six months for the design to become paper ready and it then goes to the vendor. This takes about another three months. We try to have the pins in hand by May. Production is always limited, which is why you should pick up your pin as soon as possible at Nationals.

The best story of perseverance and success was the year the old small trailer broke near Melvin's Classic Ford Parts in Georgia. The next day, my Chevy motor home broke down in Aiken, SC. We had to spend the night, and rent a Chevy Cavalier to get from the repair shop to a hotel. When we started out again the next morning, the motor home broke down before we could get out of Aiken. We were forced to ship UPS almost everything from the store to the National in Valley Forge, PA. We rented another Chevy (Caprice Classic) to continue the trip. The store opened a day late, but we had the most successful show ever. We had lots of help getting the inventory from the hotel's receiving dock to the tables. The cooperative spirit was fantastic.

After this trip, the Club bought a new trailer for the store. We picked up the motor home on the return trip and it broke down *again* in Melvin's parking lot. In true Falcon spirit, Melvin repaired the trailer and the motor home. Yes, I did sell the Chevy

not long after. Of course, this past year runs a close second; the van we use to transport the FCA Store and trailer was crushed by a 300 yr. old oak tree 48 hours after the return trip. No Falcons were injured.

Behind the scenes, Mary & I learned to screen print. We are able to maintain value to our Club members this way. We do a major screen printing about twice a year with Alycia's help. We have T-shirts all over the house during this time. We also do the embroidery. Each FCA logo has about 3500 stitches.

The Club Store as you know it today has outgrown 3 closets and now has its' own 8 x 20' building. At each show we have help from friends around the country. It takes a gang to pack and unpack the trailer, keep shirts folded, straighten stock, hand out pins, and total orders. We can never properly thank the Fuerst Family - Gary, Joan, Angie & Erik, Harriet Hoeksema, Pam Throgmorton, Justin Gwin, Debbie & TJ Johnson, Ken Earnhardt and so many more.

Last but not least, we would like to thank all of you, the Falcon Club of America members. By patronizing the store, you have made us successful. You help us grow. You allow us to visit you each month via the newsletter. You are the Friends, Family, and Fun of the Falcon Club of America.

Bonnie & Mary

BONNIE STRINGER

Bonnie Stringer is the co-manager of your Club Store as well as the Treasurer of the Falcon Club of America. She joined the FCA in September 1981, and in 1982 attended her first National in Memphis, Tennessee. She has attended all National conventions since. Bonnie owns two 1960 sedans, one of which her grandparents purchased new in July of 1960. This car has 56,000 original documented miles.

She works for E. I. DuPont in the second largest pigment plant in the USA. Bonnie writes that she has been employed there since Sept 1979. "I am a shift worker - I work 12 hr. days one week and 12 hr. nights the next. (Maybe you can understand why it is sometimes it is hard to reach us during daytime hours.) I work in the Power Department. My job title is Power Technician, and yes, I boil water and run a control room like Homer Simpson."

Bonnie played softball at all levels for many years. She played for a team that qualified for a National Championship tournament. The team lost, but the thrill of attending the National Championship was unbelievable. She enjoys football and has been a Green Bay Packer fan for more than 30 years - since the Bart Starr era.

Bonnie shares a 100-yr. old home in Waveland, Mississippi with co-manager Mary Biehl. The house served as the first Post Office for the city until 1932. She also loves dogs and has 4 Dobermans, a cat and several birds.

"I have been blessed to meet hundreds of Falcon friends and family over the years. This is an amazing club - to share the love of an automobile, that changes your life forever."

MARY BIEHL

Mary Biehl, Falcon Club Store co-manager, is an R.N. Emergency Room and Intensive Care Nurse. Mary also teaches alternative medicine courses in subjects such as reflexology, massage, and therapeutic touch. Her medical experience has come in handy at car shows from time to time. She owns a 1964 Ranchero that is in the process of restoration.

Mary has been the "helper" in the FCA club store since Mrs. O'Dell turned it over to Bonnie in 1990. She assists in the screen printing, embroidery and management of the Club Store. Mary is also an active member of The Society for Creative Anachronism, participating in Renaissance Fairs and medieval reenactments. She says those velvet costumes can get pretty hot in the summer heat at the fairs and festivals she attends. At least in these modern times, she can escape into air conditioning occasionally!

Mary and Bonnie raise Doberman Pinschers and Mary also has a blue and yellow macaw, Sam, who talks incessantly. She has three children, Albert, 24, Ruth, 22, and Alycia, 20. She also has two grandchildren, Lynn, 3, and Dennis, 7 months. Her kids have all come to Falcon Nationals at one time or another and have been a great help in the Club Store.

Mary is a night nurse working 12 hour shifts three nights a week., so leave a message if you call during the day, she may be sleeping!

Mary writes, "I have really learned to love the Falcon Club, it is so much like a family reunion. It's a good feeling to know that we can go anywhere in the world and we know we have Falcon friends who are willing to help out with problems any time of the day or night."

Falcon Projects In Progress

Jim Wilkerson and brother Bill, along with Ricky and Rick Dilks in the process of achieving a "no scratch entry" installing the engine and transmission in Jim's 1963 1/2 Sprint.

We first saw photos of Jim's ground-up restoration project in December 1997 (far right). The Falcon has undergone an amazing transformation since then. It's not finished yet, but it's certainly coming along nicely.

Chapter News

Much Needed Rain Doesn't Dampen Keystone Falcon Spirits

Forty-three Falcons were registered for the Macungie meet on Sunday August 8th. Twenty-seven showed up due to the on and off showers throughout the day. No one was complaining about the rain due to the drought here in Pennsylvania. The Keystone Chapter had a

business meeting at 1:00 and voted in the following officers: President - Bruce Wolfe, VP - Ed Snyder, Secretary - Jeff Wied, Treasurer - Virginia Servas, Editor - Don Haring. Everyone received a collapsible insulated bag & can coolers for the participation gift.

Mile Hi Chapter Treats Members to Hog Roast

The Mile High Chapter Picnic was held at the beautiful Brighton Recreation Center on August 15. Three shelters held the 76 members and their families who attended. There is a nearby lake and playground for the kids. A hog roast with all the trimmings was the chapter's treat for all members as a thanks for everyone's hard work at Nationals in 1998. Food and

Falcons were everywhere. President Scott Smith and his wife, Barb, hosted the event, along with Ron and Jan Brown. After a fabulous meal, Scott held a brief meeting, welcoming many new members and discussing upcoming events. Door prizes and a cash raffle, along with dessert, topped off the event, deemed a huge success to all who attended.

Has your Chapter done something newsworthy? Send details and photos to the Editor for inclusion in The Chapter News.

OF THE CLUB STORE SCRAPBOOK

July 1999 - Mary and Bonnie take a few minutes off to pose with just part of the inventory at The 20th National Convention in Charlotte, North Carolina.

Sept. 1996 - A passel of puppies takes a curious peek out into the world.

June 1998 - Falcons crossing the Golden Gate Bridge on the way to Pacific Regionals.

July 1999 - Club Store van crushed by 300 year old tree just 48 hours after returning from 19th Nationals in Charlotte.. Fortunately, nobody was hurt, and no Falcons damaged, but it certainly was a whale of a storm!

Call for Photos!

It's time to put together the National Booklet chronicling the 20th National Falcon Convention in Charlotte, North Carolina this past July. We will feature photos of the winners cars, along with Falcon folks, the tours and events and any interesting sights along the way. We need photos of the speedway laps, The Holman and Moody Tour, Roush Racing, and Dennis Carpenter tour and cookout. We need photos of your Falcon and your trip to and from Charlotte. We need photos of people, lots of photos of people. Whether it's the Carolina guys doing their hard work or car owners relaxing in the parking lot, send them in! Please send your photos to the Editor, Wendelyn Crosby, 16318 Riggs Rd., Stilwell, KS 66085. Please include a *stamped* SASE if you want photos returned.

For you digital types, e-mail a high resolution (300 dpi) JPEG file to WCrosby63@aol.com.
